

3rd Annual Reelin' For A Cure – All Ladies Fishing Tournament 2018

Fighting For a Cure – Friday, August 17th, 2018

Do you know women that have left this earth too soon, going through chemo now or have recently been diagnosed with Cancer? I can imagine all of us have at one time or another in our lives.

Please take a moment to consider a donation to this event which will help support our ladies fishing tournament, women fishing to raise money to fight cancer. Whether it's treatments, therapies and/or research for a cure to beat this disease! This event is near and dear to my heart as I've had family members, co-workers and four friends that have been either diagnosed; going through chemo; have beaten this deadly disease or have lost their battle!

How did this come to fruition? I was inspired to start an all-women's fishing tournament to help with the fight, treatments etc. against cancer by participating in two tournaments at the East end of Lake Ontario a few years back. I also have friends/relatives that have gone through the battle themselves.

Why now? I loved it so much I wanted to bring that feeling to our community! Women coming together to help the fight against cancer, while doing something fun and making lasting memories,

Filling a Vital Need

Look Good Feel Better
Program

The program is open to all women with cancer who are undergoing chemotherapy, radiation, or other forms of treatment.

Mission: Look Good Feel Better is a non-medical, brand-neutral public service program that teaches beauty techniques to people with cancer to help them manage the appearance-related side effects of cancer treatment.

The program includes lessons on skin and nail care, cosmetics, wigs and turbans, accessories and styling, helping people with cancer to find some normalcy in a life that is by no means normal.

All monies raised at this event will be donated to the Look Good Feel Better Org.

So here we are....our 3rd Annual Reelin' For A Cure and were excited for you to join us in our FIGHT! Please take a moment to donate any amount, to help us with this battle!

PRICELESS!!!! This was so appealing to me and so meaningful that I couldn't just talk about it anymore, I wanted to do more!

The 3rd annual Reelin' For A Cure 2018 monies sponsored will go to the event to help raise monies for the Look Good Feel Better Program.

Each summer ongoing, our committee will look for Reelin' For A Cure to only get bigger and better! Reelin' For A Cure is organized and run by local volunteers/survivors-fighters! We are confident we will be able to obtain generous donations from private citizens and

sponsorships from local businesses to cover costs.

For our third annual Reelin' For A Cure in 2018 we will provide monies raised to Look Good Feel Better in honor of our friend Karen Evarts, who is fighting her fight as we speak! Please consider sponsoring our 3rd Annual Reelin' For A Cure

2018; helping us ensure that women get the support they need and the opportunity to make "fishing" memories that will last a lifetime.
